EMBASSY OF THE PHILIPPINES

MESSAGE

I would like to extend my warmest congratulations to the Suffolk County Executive Asian American Advisory Board as it celebrates its 7th Asian American and Pacific Islander Heritage Month.

The Asian American Advisory Board has been a strong driving force in shedding light on issues that affect Asian-American communities in the county of Suffolk, which include education, health, legislation, and small business development. I would like to thank the Board for not only providing our Asian American brothers and sisters with the support they need, but also for providing a space for community participation through programs, conferences, committees, and projects.

I wish the Board and the county of Suffolk good luck in this event. Again, to the members of the Asian American Advisory Board and to the people of Suffolk, congratulations and mabuhay!
