Dear Friends,

Please allow me to join the Asian American Advisory Board, as well as the Suffolk County Office of Minority Affairs, the Wellbrook Foundation, and Stony Brook University in celebrating the 7th Annual Asian-American and Pacific Islander Heritage Month Celebration.

Our community thrives on its ability to celebrate unique customs and ways of life, and the initiatives of the Asian American Advisory Board exemplify this tradition perfectly. Under the direction of its dedicated and engaged Board members, the Asian American Advisory Board has helped foster meaningful dialogue and civic engagement among the county governments, its residents and the Asian American communities.

On behalf of the residents of New York's 4th Congressional District, I would like to send my regards and extend my best wishes for the continued success of the Asian American Advisory Board.

Sincerely,

KATHLEEN M. RICE
