Congratulatory Message

On the auspicious occasion of the 7th anniversary of the Asian American and Pacific Islander Heritage Month, I wish to extend my warm congratulations and best wishes to the Suffolk County Executive's Asian American Advisory Board.

I have learned that during the past decade, the Asian American Advisory Board has been enthusiastically promoting cultural understanding between the Asian-American communities, governments, and its residents through educational programs, conferences, committees, projects and other programs. On behalf of the Royal Thai Consulate-General to New York, I wish to commend the board members and staff for their entirely efforts and devotion to promote the culture of our heritage to be known and appreciated not only to the people in Suffolk County but also to the Americans in the nearby neighborhoods. This will in turn contribute to the existing relationship between our respective countries and the United State of America. I am therefore also willing to support the work of the Board in every way I can. Moreover, I would like to thank Suffolk Office of Minority Affairs, Wellbrook Foundation, Inc and Suffolk County Community College for their participation in organizing the celebration.

I wish this 7th anniversary celebration will be a great success.
